AGENDA

NOTES

-The majority of the pictures Casey took during classic's day were of him and his friends. Though he did take a video of the classic's day skit. (Next time, we need to get it from center stage angle)

-We need a google doc full of usable skits. So we aren't rushing like always to come up with a skit.

-community outreach: "Mr. Dibinga's got our back." The ideal time for us is 2:30pm and we are planning to talk about the gods and goddesses since they're little kids who may be uninterested in anything else.
